

Team Contract – Draft

Project Title: Back-testing Financial Strategies

Faculty Advisor: Hrishikesh Bhide (bhidehk@ucmail.uc.edu)

Team Name: OJ

Team Members:

- Jash Dedhia (dedhiaja@mail.uc.edu, 7735923248)
- Omkar Sontake (sontakor@mail.uc.edu, 5132533860)

Meeting Schedule:

We plan to meet once a week for 5 hours on Tuesdays from 5:00 PM to 10:00 PM. Additional meetings will be scheduled as needed.

Project Focus:

Our project is about creating a platform to backtest financial strategies. It will let users back test trading and investment ideas/strategies with historical data so they can see how those strategies might perform before using them in real markets.

Team Roles:

- Jash Dedhia: Lead Developer and Project Coordinator – manage technical implementation, project timeline, and advisor communication.
- Omkar Sontake: Systems Engineer and Documentation Lead – handle testing, system architecture, and reporting.
